HIGH PERFORMANCE BATTERIES

## THE MULLET BATTERY CUSTOMER ADVANTAGE

- ★ We are battery specialists, stocking over 400 different battery sizes as well as a full line of accessories, wire, and cable.
- ★ Specialty batteries that we may not stock can be ordered because of our access to nearly all the manufacturers product lines.
- ★ Our large, diversified inventory ensures that back orders are very rare.
- ★ With over 60 years of combined experience, you can count on our extensive product knowledge to advise you and your customers on their technical questions.
- ★ We will custom-build cables to your specifications when factory-made cables are inadequate.
- ★ We take pride in offering the highest quality batteries available in the industry at competitive prices.
- ★ Every battery is inspected and tested to ensure that it is fresh and fully charged before you purchase it.
- ★ For stocking customers, we ensure your batteries are fresh and fully charged by regularly rotating your inventory.
- ★ Our battery labels give complete ratings and warranty information. When dates are marked properly no receipt is required to obtain warranty.
- ★ We offer a true pro-rated warranty based on your actual cost, not on a higher "list" price.
- ★ Our MIGHTY BRUIN line of batteries offer the unique flexibility of an additional discount for batteries that are purchased with just the minimum warranty. This allows you to purchase the same high quality battery at a discounted price.
